STATE OF ALASKA
COMMISSION ON JUDICIAL CONDUCT

In the matter of the proceeding
pursuant to AS 22.30.011(a) in
relation to,

ROMANO DIBENEDETTO

Judge of the Superior Court,
SECOND Judicial District at
Nome Alaska

ACJC File No. **2025-001**

**To Honorable Romano DiBenedetto
 c/o John Cashion

 Anchorage, Alaska 99501**

COMPLAINT

The Alaska Commission on Judicial Conduct pursuant to Article IV, sec. 10 of the Constitution of the State of Alaska, AS 22.30.011, and Rule 11 of the Rules of the Alaska Commission on Judicial Conduct charges that Judge Romano DiBenedetto engaged in the following conduct that violates AS 22.30.011(a)(3)(C), (D), and (E) and Canons 1, 2A and 3A, and 3B(5) of the Alaska Code of Judicial Conduct.

(1) On January 8, 2024, Judge DiBenedetto participated in a motion hearing occurring in Unalakleet in *State v. Nance*, 2UT-23-00081 CR, et al. The motion hearing occurred after normal work hours, and Judge DiBenedetto's participation in the hearing was delayed close to one hour due to the fact that he was watching a televised sporting event. When subsequently interacting with the involved attorneys and while off record, Judge

DiBenedetto explained his delay to the lawyers as due to “getting lost.” This conduct violates Canons 2A and 3A by creating the appearance that the court matter did not take precedence over a personal activity. This conduct appears to be part of a pattern where Judge DiBenedetto canceled, moved, or delayed hearings for personal reasons with little or no advance notice to participants, or started hearings late, or did not make himself available during full court hours.

(2) Complaints against Judge DiBenedetto have also been made for other conduct occurring outside of the courtroom. While in the presence of court staff, Judge DiBenedetto, on more than one occasion, discussed testimony occurring in his courtroom. When discussing the testimony or comments of participants in judicial proceedings including persons who are part of ethnic groups other than his own, he would imitate ethnic voices. By imitating ethnic voices of court participants, Judge DiBenedetto undermined confidence in the integrity and impartiality of the judiciary. This conduct violates Canon 2A and Canon 3B(5) by creating an appearance of bias or prejudice.

Commission Rule 11 (b) (4) (B) requires that a response be filed within twenty days.

Dated at Anchorage, Alaska this 18th day of November 2025.

STATE OF ALASKA

COMMISSION ON JUDICIAL CONDUCT

In the matter of the proceeding
pursuant to AS 22.3011(a) in
relation to,

ROMANO DIBENEDETTO

Judge of the Superior Court,
SECOND Judicial District at
Nome, Alaska

ACJC File No. 2025-001

ANSWER TO COMPLAINT

Judge Romano DiBenedetto, by and through counsel Cashion Gilmore & Lindemuth, hereby answers the Alaska Commission on Judicial Conduct's Complaint as follows:

(1) Judge DiBenedetto agrees that on January 8, 2024, he participated in a motion hearing occurring in Unalakleet in *State v. Nance*, 2UT-23-00081 CR, et al. The motion hearing occurred after normal work hours, and Judge DiBenedetto's participation in the hearing was delayed close to one hour due to the fact that he was watching a televised sporting event. When subsequently interacting with the involved attorneys and while off record, Judge DiBenedetto explained his delay to the lawyers as due to "getting lost." Judge DiBenedetto acknowledges that this conduct violates Canons 2A and 3A by creating the appearance that the court matter did not take precedence over a personal activity.

1 Judge DiBenedetto denies, however, that this conduct is part of a pattern of
2 behavior as alleged in the Complaint.

3 (2) Judge DiBenedetto is aware that complaints have been made for other
4 conduct occurring outside of the courtroom. While in the presence of court staff,
5 Judge DiBenedetto, on more than one occasion, discussed testimony occurring in
6 his courtroom. In the course of doing so, he has occasionally attempted to reenact
7 the testimony or comments of participants in judicial proceedings, including persons
8 who are part of ethnic groups other than his own. Judge DiBenedetto acknowledges
9 that this conduct violates Canon 2A by undermining confidence in the integrity and
10 impartiality of the judiciary.
11

12 Judge DiBenedetto denies, however, that this conduct violates Canon 3B(5),
13 governing adjudicative responsibilities.
